White Rock Road @ North Scott Road Intersection Closure & Traffic Restrictions ~April 19 to 22, 2013~

Sacramento, CA - Upcoming White Road Improvement Project work includes reconstruction of the intersection of White Rock Road at North Scott Road. This work will require full closure of the intersection for the weekend of April 19 to 22. The scheduled closure weekend may change if significant inclement weather occurs prior to planned construction activities. Information about the intersection closure is listed below:

- **White Rock Road @ North Scott Road:** The existing intersection at this location will be widened. Construction activities will include: fence relocation; roadway excavation; asphalt concrete placement and striping.
- **Anticipated Work Schedule – April 19 to 22:** There will be a full intersection closure at this location from 9 PM on Friday, April 19 to 6 AM on Monday April 22. Detour information will be posted to guide motorists around the construction area.

Access will be maintained for emergency vehicles and visitors to the Prairie City Vehicular Recreation Area during the closure periods. Check www.sadot.com for updated project information and to sign up for automatic email updates.

Roadway Construction: This intersection closures is needed as part of the White Road Road Improvement project. White Rock Road is being realigned to intersect with

News Release

Grant Line Road approximately 700 feet south of the existing intersection. The road will be widened to two lanes in each direction, with paved shoulders and medians.

Your Patience is Appreciated: Sacramento County understands the challenges and inconvenience that commuters, residents, businesses, bicyclists and pedestrians will experience during the closure period. The patience and cooperation of the traveling public is appreciated as we work to complete this project.

Contact Information: For additional information about the project or detour routes please contact: Scott Werth (Project Manager) at 916-874-5259 or werths@sacounty.net, or Greg Smith (Resident Engineer) at 916-838-1306 or smithgr@sacounty.net.
