Chinese Delegation Visits Sacramento County Agricultural Commissioner on December 12

Sacramento, CA - A 14-person delegation from the Guangdong Province of China will visit the Sacramento County Agricultural Commissioner's office today, December 12, from 10 a.m. to 11:30 a.m. at 4137 Branch Center Road, Sacramento, CA 95827.

The group is here as part of an international trade program sponsored by Los Rios Community College District and will focus on food safety and the Agricultural Commissioner's role in farm, pesticide, and food processing inspections. Accompanied by interpreters, delegation members include representatives of South China Agriculture University; Guangdong Institute of Scientific and Technical Information, School of Economics and Management; and several Guangdong government agencies.

"The Chinese team specifically requested to visit the region to get an introduction to our pesticide regulation, compliance and enforcement programs," said Sacramento County Agricultural Commissioner Juli Jensen. "We are pleased to host this esteemed delegation and share information about our responsibilities and best practices, as well as learn from them."
