New Services Available at Local Neighborhood Service Center

County Agencies working to meet the business and property needs of the community

Sacramento, Calif. – The Department of Neighborhood Services, in partnership with the Department of Finance, Tax and Licensing Division, will now have a full time staff person available every Wednesday to help residents with business and property issues including: Registering fictitious business licenses, applying for business licenses, and answering questions and providing information pertaining to real property tax.

“We are making a concentrated effort to serve our residents by bringing services closer to them,” said Mark Manoff, Department of Neighborhood Services Service Area Manager.

Customers who come to the Center can also now use their 14 digit parcel number to look up their property tax amounts and pay online via e-check or credit card on www.eproptax@saccounty.net at the lobby computer.

The North Area Service Center is located at 6015 Watt Avenue, Suite 4, North Highlands, CA 95660; their phone number is 916-874-2424. To find out more about the Center, visit <http://www.msa2.saccounty.net/dns/CSANorth/Pages/default.aspx>.
