#### **Sacramento County Offers Vote-by-Mail Drop-off Sites for the November 4 General Election**

Voters who do not want to drop their 2008 General Election ballots in the mail may choose to drop it off at any of nine locations throughout Sacramento County.

Sacramento County's downtown administration center and designated city clerk offices will serve as Vote-by-Mail ballot drop-off sites beginning Monday, October 27 from 9 a.m. to 5 p.m. The service will be available through Friday, October 31.

"We understand that it may be more convenient for some voters to drop off their ballot rather than sending it through the mail," says Registrar of Voters Jill LaVine. "We have partnered with our Clerk of the Board and local city clerks to provide additional drop-off locations within the community that may be closer to home or work for voters."

Ballot boxes will be stationed at the County administration building (Clerk of the Board office on the 2nd floor) and at the front counters of city clerk offices. For a list of drop-off locations, addresses, and hours, go to the Elections web site at [www.elections.saccounty.net](http://www.elections.saccounty.net).

Voters may deposit their ballots 24 hours a day, and until 8 p.m. on Election Day, at the Elections Office located at 7000 65th Street.

The Elections Office will also be open on Saturdays from 9 a.m. to 2 p.m. for voting or to drop off Vote-by-Mail ballots.
