**Meet Your South County Supervisors at Town Hall Meeting**

*Talk directly to your elected officials and County staff; find out what's coming up for 2009!*

Sacramento, CA. – County Supervisor Jimmie Yee of District 2 will host a Town Hall meeting Thursday, April 2 at 6:30 p.m. The event will be held in the Jose Rizal Community Center located at 7320 Florin Mall Drive. Joining him will be Supervisors Roger Dickinson, District 1, and Don Nottoli, District 5.

“This is a great opportunity to learn about all of the exciting activities happening in the South County,” said Supervisor Jimmie Yee. “We also want to hear your concerns and help you connect with the information and resources you need. We will be featuring a host of department representatives that night ready to assist you on everything from animal issues to code enforcement.”

The evening's presentation will include an update of South Sacramento, including home foreclosures, ongoing neighborhood enhancement activities, County budget and a report by South Sacramento Visions, a civic group that is reaching out across the diverse cultures in south Sacramento.

County departments will be on hand to talk about neighborhood services and law enforcement issues such as speeding neighborhood traffic, garbage pick-up service, unsightly junk and rubbish and code enforcement.

Light refreshments will be served. Seating is limited, so please RSVP at 916 -876-8336 or [dworkisb@saccounty.net](mailto:dworkisb@saccounty.net) by March 27.

For more information, or to request translation services, contact County Department of Neighborhood Services at 916- 876-8336 or email [dworkisb@saccounty.net](mailto:dworkisb@saccounty.net).

*The Department of Neighborhood Services is a department of the Municipal Services Agency, a customer service organization of the County of Sacramento to provide innovative, efficient and effective residential, business and environmental services to the region's neighborhoods and communities and to engage residents in the decisions affecting their neighborhoods. Through its customer service model, the 10 departments that comprise the Municipal Services Agency are dedicated to protect, preserve and enhance the quality of life in our neighborhoods, business centers, recreation venues and wildlife corridors.*
