## **Sacramento County Budget Update**

### ***Board of Supervisors to Begin Deliberations Friday***

Sacramento, CA. – Following three days of staff presentations and public testimony, Sacramento County Supervisors will take the next step towards finalizing the 2009-10 budget with significantly less funding available for key programs and services.

Rising costs, decreased State funds and the widespread impacts of the recession have left the County with a \$68 million gap to bridge before adopting a final budget of \$4.3 billion.

Testimony on Thursday focused on social service programs, as County health, welfare and other social service managers outlined the likely reductions in services due to the funding cuts.

On Friday, the Board of Supervisors will begin deliberations at 10:30 a.m. at 700 H Street, Sacramento. The progress of the final budget deliberations can be followed live on Comcast Cable Channel 14 or online at <http://www.saccountytv.saccounty.net/default.htm>.
