\$9.3 Million Federal Stimulus Funded Roadway Resurfacing & Repair Project ~Construction Start-up Event: September 21 @ 11:15 A.M~

Sacramento CA – The Sacramento County Board of Supervisors and Department of Transportation (SACDOT) are hosting an event to celebrate construction startup for a \$9.3 million Federal Stimulus funded roadway resurfacing and repair project for 17 sections of unincorporated area streets. Teichert Construction was awarded a contract for this work by the Board of Supervisors in August. Information about the construction startup event is as follows:

Date/Time Monday, September 21 @ 11:15 A.M.

Location Ridgepoint Park (Corner of Galbrath Drive and McDermott Drive)

Speakers Supervisor Susan Peters, Chair of the Board
Supervisor Roger Dickinson
Representative, Congresswomen Doris Matsui's Office
Representative, Congressman Dan Lungren's Office
Michael J. Penrose, Director, Department of Transportation

According to Supervisor Peters, "The American Recovery and Reinvestment Act passed by Congress is designed to help stimulate the economy, create jobs and address infrastructure needs. This project - using Federal Stimulus funds - does all that by creating 200 private sector jobs and repairing worn out roads in the unincorporated area. This is just one of 63 transportation projects using Stimulus funds that are

pumping a total of \$109 million into our regional economy.” (Visit www.sacog.org for more information about these projects approved by the Sacramento Area Council of Governments.)

Mike Penrose, SACDOT Director added, “The Stimulus Funds have come to Sacramento County at an opportune time and will be put to good use. There is a need to simulate the economy but to also address aging infrastructure – in this case, unincorporated area streets. We have a significant pavement maintenance backlog and this project will help us to repave streets that are in urgent need of repair. We are pleased that we have been able to move forward quickly to solicit bids and award a contract for this work.”

The following is a list of unincorporated area streets that will be resurfaced and repaired as part of this Stimulus project:

Location	District	Street	From	To
1	1	44th Street	23 rd Avenue	14 th Avenue
