Sacramento Public Agency Consortium (SacPAC) is a collaborative effort of public agency procurement officials and small business assistance organizations located in the Sacramento area. SacPAC strives to provide small businesses easier access to information about how to do business with public agencies, how to learn of bidding opportunities and outreach events. SacPAC members provide maximum value to the small business vendor. Panelists for this event are from SMUD, Sacramento City, Sacramento County, Regional Transit, State of CA General Services Department, and Sacramento Housing & Redevelopment Agency.

Don't miss this excellent opportunity to learn how to do business with public agencies!
